Make sure to change the drop-down box to the right to “no” so they don’t give you more leads and charge you.

<http://www.classifiedsgiant.com> - Free and easy. Account required, videos allowed in free ads. Anyone posting in Classified Giants MUST post in the auctions section or they will be breaching their Terms of Service.

<http://leadpower.net/> - A form will pop up for you to get your 10 free leads

<http://getleads4free.com> - Account required but you can get 5000 leads a month

<http://www.stumblehere.com/> - Free, account required, max number of active ads 5, 15 day ad lifespan, and 1 photo per ad.

<http://www.simplerleads.com/> - Create your account, then you can log in everyday by clicking “member login” in upper right hand corner. Once you’re logged in, scroll down to “continue to my free account”. Then in the right hand column, there will be an itty bitty tiny link that says free leads (it is usually right under a picture ad, and easy to miss). It says “to download today’s member leads, click here”. Click there, then you will have to scroll down and copy the leads and paste them into Word or Excel. It’s a long process, but they will give you 30-60 free EVERY single day, so well worth it!
